

Dave Pelz Putting Conversion Chart

From GOLF Magazine, September 1997. VOL. 39 No. 9

These are the "make" probabilities of first putts under tournament playing conditions by the average PGA Tour pro (one read one try - unlike the practice green where golfers can groove compensations for their misses).

DISTANCE	PROBABILITY
5 feet	45-65%
10 feet	15-30%
15 feet	10-22%
20 feet	6-16%
25 feet	4-13%
30 feet	3-9%
35 feet	2-7%
40 feet	1-6%
45 feet	0-5%
50 feet	0-4%
