To participate simply arrive and register at 2:00 or 3:00 pm on the first day you can make it to the program. Ages 6-16 (under 6 possible with approval).

We would prefer beginners and 8 yr olds and under at 2:00 pm and experienced players and 9 yr olds and older at 3:00 pm. However players are welcome to attend whichever session they can and we will adjust lessons to accommodate their skill level as much as possible.
